Thank you for making a difference!

Since it was launched in 2021, *Say Yes! to Kids* (SYTK) has provided over \$755,000 to 150 beneficiaries and fundraising partners in support of youth-focused ministry and outreach from coast to coast to coast. All SYTK projects are different, but they share a common goal: to *imagine more* and to put that imagination into action to grow a brighter future for young people, today. Thank you for choosing to be part of this exciting movement that is changing the conversation, energizing the church for new ministry, and transforming the way we work together to fund for impact in this important area of our common life.
